Committee Changes

As you will remember we held our AGM and John Randall was elected as President. Since the AGM Alan Butcher has volunteered to take on the role of Hon Secretary and I am happy to hand over the reins to him. At my age it is time I took a rest! Alan will take over from me over the next few weeks and I will remain on the committee to help out where I can. Please direct all future communications to Alan at:-

Competitions

The competition secretary, Harrison Ash, has sent out the competition paperwork for the season. You should let him know if you are playing the same competitions as for 2020. The fees for this season will be collected at the start of the season.

2021 League Fixtures

To date all clubs have indicated that they will play the same number of teams as for 2020. The current league schedule, shown on the website, will therefore stand unless teams are withdrawn and until we get the new Government restrictions.

Extra General Meeting

At the start of 2020 the Committee proposed changes to the Association Constitution to improve the management process of the Association. To that effect we proposed and set up an EGM in March 2020 for the Executive to vote on. Unfortunately, Covid arrived and we had to cancel the meeting. We are therefore trying again and propose to hold an EGM to allow you to vote on the changes at the end of March 2021. The required paperwork will be sent out to you later.

2021

We all hope that next year we can get back to something near to normal and hope we will be able to let you know by the end of February (after the Government review and Bowls England decisions) how the season will be played.

Thankyou for the support you have given me and the Association, I hope to see you on the green soon.
