ANNUAL GENERAL MEETING

Committee Proposal

As you will remember the association is bound by the constitution to hold an AGM on the first Monday in November. You will appreciate that due to the Covid restrictions this will not be practicable this year.

The committee are therefore proposing to take opinions and proposals from you and they will then consider them at a committee meeting (held by Zoom) in place of the AGM.

If you have any proposals or suggestions, please let me have them by October 15th to allow us time to process them. I will send out the minutes of the last AGM and accounts for the year by October 26th in the hope that you can comment/approve them .

The Committee

We have a nomination for president, John Randall has offered to stand and if unopposed we will elect him as our president for 2021. The remainder of the committee have agreed to stand again and unless we get new proposals, they will stay in post next year.

Accounts

The Financial Accounts for the year show the few transactions for this year and will be ready to send to you for approval once the examination has been completed in the next week

2021

We all hope that next year we can get back to something near to normal and will be able to let you know by January how the season will be played.

Please let me know your views and any proposals as soon as possible

John Guerin
