

Aldershot & District Bowling Association

MAY NEWSLETTER

The season is starting and we should all have had at least a bit of practice by now. The competition draws have all been done and can be viewed on the County and A&D web sites. Make sure you have checked the new competition rules, and secretaries, check to make sure your clubs have entered you in the A&D secretaries singles.

League Program

The league program is finalised and we should all be looking forward to the first games on 10th May except for Fleet United B team – sorry lads you get a bye as there are only 7 teams in Div3.

League Score Card

The score card to be used is on the website and can be downloaded for use if possible. You can use the standard score card, but if you do you must ensure that the names on the card show given name (or initial) and surname. Send the score card results in to League Secretary Dave Wallace either by e-mail as soon as possible after the match or photo the cards and send on your mobile phone.

Competitions

The competition draws and the new rules are shown on the website. Make sure you get your signed score card promptly to Harrison, after you have won the game

Presentation Evening

The presentation evening, held last year at Cove, was very poorly supported. The committee have therefore decided to change the format for trophy presentations which will hopefully be better. The trophies will now be presented on finals day as the competition sessions end. The morning session winners will be presented at lunch time – photographs taken with main trophies, keep-trophies presented to the players and main trophies taken away by Harrison to be engraved. The procedure will be repeated after the afternoon session at teatime.

There may be other arrangements made for the presentation of the League trophies and presentation of engraved trophies to clubs. These procedures will be organised by the end of the season.

Committee

Gordon Lamb (from Farnborough) our new Support Officer, has volunteered to take on the responsibility of “President” for 2023. He will share presidential responsibilities this season with David Fox and will be nominated for election at the 2022 AGM. I am still fulfilling the secretaries role of Secretary so, if anyone is interested in taking on the Secretaries role, please let me know and I will be happy to explain the role and nominate them at the AGM.

Enjoy your bowling, I hope to see you on the green soon,

Regards

John Guerin
