

Aldershot & District B.A.

September 2023 NEWSLETTER

The AGM is to be held on Monday 6th November

PROPOSALS

If your club has any proposals you want to put to the AGM for consideration and approval you must send them to me by the 18th October to comply with our constitution.

The proposal must be -

proposed by your club secretary and seconded by the secretary of another A&D club.

If your club has any nominations for new officers, you must send their details to me, again by Wednesday 18th October. The nomination only needs your club nomination to be valid.

COMIITTEE OFFICERS

The association currently requires two officers:-

League Secretary

Dave Wallace did a very good job last season but is standing down.

The work is relatively simple and requires the secretary to establish the league program at the start of the season and enter league results into a spreadsheet, once a week, when the games are played.

Competition Secretary

Harisson Ash also did a very good job last season but is giving up outdoor bowling to concentrate on the indoor discipline next season.

The work is more complicated than the League Secretary's as the results of competitions come in at staggered times during the season. Results are entered into a spread sheet which is published for competitors as each competition round is completed.

HELP

The committee members are all bowlers and want to make sure the A&D runs smoothly so any of them will help you set up the games and will advise on problems. Both David and Harrison will be around and may be able to help if needed.

If you have any member who might be prepared to help ask them to call or email me and I will be only too glad to help.

Membership Recruitment

Don't forget Camberley IBC are offering £40.00 to local outdoor clubs who recruit new bowlers and then recommend them to the club as members. I am managing the scheme and payment will only be made at the end of 2023. If your club wishes to take advantage of the offer let me have the member details by 15th October.

Best wishes
