September 2023 NEWSLETTER

## Reminder: The AGM is to be held on Monday 6<sup>th</sup> November

### PROPOSALS

Only one proposal has been received from Hawley BC as shown as shown on the agenda: They are suggesting that Division 3 be changed to a triples league to encourage more clubs to put in league teams. To be discussed and voted on at the meeting.

Old Dean BC have also asked for changes to the competition rules. As these rules can be decided and altered by the new committee and do not need a formal proposal for the change, I have included them in the agenda under AOB. The discussion will help the new committee make their decisions.

### COMIITTEE OFFICERS

The association currently requires two officers and is pretty desperate to find them. You should note if we cannot find someone to take on these roles then there will be no league or no competitions in 2024.

#### League Secretary

The work is relatively simple and requires the secretary to establish the league program at the start of the season and enter league results into a spreadsheet, once a week, when the games are played. Support will be given to the candidate to help with both functions.

#### Competition Secretary

The work is slightly more complicated than the League Secretary's as the results of competitions come in at staggered times during the season. Results are entered into a spread sheet which is published for competitors as each competition round is completed. Again, support will be given to the candidate to help with the work.

### 2024 FINALS

The finals next year are scheduled for Saturday 24<sup>th</sup> August. If your club would like to host the finals day for 2024 you must let the Hon Secretary know. We are imposing a deadline on requests of November 30<sup>th</sup> as the new committee will we need to get dates sorted for club programs as soon as possible after the AGM.

Best wishes
